

Title: FOOD 2 LIVE

Short description

A project to get students to think about what it means to eat a healthy diet.

Activities

- * Video Conference as ice-breaking activity.
 - Info about themselves
 - Info about food available in their school canteen/tuckshop
 - Rules about allowed foods/snacks
- * Presentation with photos of what students eat every day.
 - Smartphones use.
 - National foods.

Evaluation

- (ST) Have you changed any of your eating habits?
- (ST) Would you like to participate in a future project, maybe leading to a UK project? (Do they come back next year?)
